Ref.3679

- DIAMANTE, Mágico, fascinante y original, faltan adjetivos para definir esta nueva apuesta diseñada por Mantra Team. Plafón de superficie diseñado para ser el protagonista dentro del espacio decorativo e iluminar con un rendimiento sorprendente.

DIAMANTE es un nuevo plafón de carácter decorativo compuesto por formas geométricas de superficies planas que recuerdan a los tallados de los diamantes, de hecho su volumen principal es semejante al de un diamante. El efecto de luz como protagonista, un objeto iluminado con una serie de reflejos brillantes que son similares a los de los diamantes. En su interior alberga una placa LED de alto rendimiento regulable, tanto de potencia como de tonos de luz, gracias a su mando a distancia.

Se trata de una nueva forma y efecto de luz, para usuarios que quieran diferenciarse del resto, dentro de las grandes aplicaciones de techo.

- *DIAMANTE, Magical, fascinating and original, are more adjectives to define this new initiative designed by Mantra Team, ceiling lamp designed to be the protagonist in the decorative space and illuminate with a surprising efficiency.*

DIAMANTE is a new ceiling decorative composed by geometric shapes that remember diamond cut, and with a similar volume. Light effects as the focus, an illuminated object with shiny reflections, similar to diamonds reflects. High performance LED installed inside, adjustable, for the power and light tone, thanks to a remote control.

It is a new shape and light effect for users who want to differentiate in the selection of big ceiling selection.
