

NUR XL

DESIGN
JOSE I.BALLESTER
SANTIAGO SEVILLANO
2016

NUR XL, un sinuoso juego de curvas y giros, dibujado por sencillos y limpios trazos que se envuelven entre sí, con mimo y delicadeza, dando origen a una atractiva y elegante luminaria de composición minimalista, capaz de generar una cálida y sutil iluminación luz, pero contundente y eficaz, con el fin de crear un ambiente sereno y confortable para el usuario. El proyecto NUR es el resultado de un cuidadoso proceso de diseño distintivo y peculiar, pero que perfectamente pueden incorporarse al más vanguardista de los ambientes, o por contrapunto a cualquier lugar imaginable, generando una sensación visualmente simple y evocadora. NUR la componen lámparas en varios formatos, plafón, sobremesa y aplique, construidas sobre un ligero perfil personalizado de aluminio, con su difusor de policarbonato matizado, realmente flexible, que permite realizar los giros que la caracterizan en sus diseños.

NUR XL, a sinuous set of curves and turns, drawn by simple and clean lines that wrap each other, with care and sensitivity, giving rise to an attractive and elegant luminaire of minimalist composition capable of generating a warm and subtle illumination, but forceful and effective, in order to create a serene and comfortable environment for the user. The NUR project is the result of a careful design process distinctive and quirky, but perfectly can be incorporated into most innovative environments, or to anywhere imaginable, creating a visually simple and evocative feeling. NUR is composed with lamps in various formats, ceiling, table and apply, custom Built on a lightweight aluminum profile with frosted polycarbonate diffuser, flexible, which allows the turns that characterize their designs.
