- ARENA, por su diseño sinuoso aporta un juego de planos y luces que transmite movimiento y armonía.

Con elementos de iluminación en distintos formatos y de formas orgánicas, aporta originalidad a la vez que personalidad para vestir e iluminar un ambiente.

Para espacios de interior y específicamente es lugares de exterior (IP44), ARENA ilumina, por su eficiente luz led, con plafones de formas redondas y cuadradas, en tres medidas distintas por formato, con un sobremesa y con un aplique de pared completando la colección.

Diseñada para Mantra por Jose Ignacio Ballester, ARENA evoca naturalidad y movimiento en tu espacio, vistiéndolo e iluminándolo de manera diferente.

- ARENA, its winding design provides a set of drawings and light that transmits movement and harmony.

*Lighting elements in different layouts and its pure forms bring uniqueness along with identity to cover and illuminate any atmosphere.*

*For indoor spaces, and specially for outside yet the place permitted to use IP44, ARENA's light source is accomplished LED, and it is introduced by three different sized ceilings in round and square shapes, as well as a table lamp and a wall light to complete the collection.*

*It was designed by Jose Ignacio Ballester for Mantra, ARENA evokes naturalness and movement in your space by illuminating and wrapping in different style.*
