

Orca

Made in Poland

**DESIGN** - Anna Siedlecka & Radek Achramowicz

**DESCRIPTION** - Pendant lamp with big flexible, air-filled shade in black & white PVC. Elegant and fresh concept by PUFF-BUFF. The air is the main material, which the lamp is built of. That's why despite its size the lamp is very lightweight. Imperceptible air is the most ecological and innocent material you can imagine, but it has immense strength. United with energy-efficient light sources makes significant alternative to conventional materials and technologies in lighting.

Delivered in two options - black wire with a black canopy or black&white textile-covered wire with canopy in polished metal. Delivered deflated for self-inflating.
