The mobile spotlights of the NAUTILUS family are the Plug & Play best-sellers from SLV, which have enhanced a countless number of commercial and private outdoor areas for many years. The reasons are obvious: Uncompromising quality with regard to durability and flexibility. Be it harsh winter nights or warm summer evenings, a NAUTILUS outdoor fitting will adorn the garden with unmatched ambience and illuminating effects. Regardless of whether you illuminate your flowers, trees or water features with Nautilus. The NAUTILUS family has a wide range of versions with different models, designs and colours, with a plug or an open cable end, with an installation plate or an earth spike. With versions with a GU10 socket, please note the maximum dimensions and Wattages for the lamp that is going to be used (not included in scope of supply). When are you going to let yourself be impressed with the wide range of advantages of the SLV classic?
