The BELA 40 pendant is the smaller version of this series and is fitted with a lamp shade made from aluminium which is connected to the chrome-plated ceiling plate with a textile cable or steel cable. Optionally available with black or white lacquering on the exterior, you have free choice of an inner finish in white or gold. Alongside the optical aspects, the reflective inside surface also has an effect on the colour of light. The BELA 40 is delivered ready to connect to the 230V mains power supply. This luminaire has integrated bulbs in energy classes: A - A++
