| Light distribution type 1 | direct                                  |
| Light distribution type 3 | rotationally symmetric                  |

As one would expect, the LED extension of the popular KALU Series guarantees the utterly free adjustment of lamp heads. Fitted with dimmable, high output LEDs, the KALU Series has just become even more efficient and versatile! Available in black, or black and white, KALU LED Wall and Ceiling Luminaires come ready for direct connection to 230V electrical mains.
