With the plaster lamp PLASTRA PD-1, you own a highly individual up/down wall luminaire with puristic and clear design. Prepared for the use of two GX53 halogen or LED retrofit lamps, PLASTRA is ready for direct connection to 230V mains supply. Some sandpaper is included in the package and used for surface cleaning. After priming it can easily be painted over with standard wall paint. This luminaire is compatible with bulbs of the energy classes: E - A++
