The FORCHINI PD-1 pendant luminaire is the bigger version of this series and has a lampshade made of fiberglass which is connected to the chrome-plated canopy via a textile cable. Optionally available with black or white exterior paint you have free choice of its inner painting in either silver or gold finish. In addition to optical aspects, the reflective inner surface also affects the colour of light. FORCHINI PD-1 is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A+
