The generously designed lamp shade of the TENORA PD-1 pendant, combined with its chrome-plated steel elements, offers a wide range of possible use areas. The textile and polycarbonate based shade, available in black or white, guarantees the homogeneous lighting attributes of the standard E27 high volt lamp with either LED, energy saving, or AGL lamps. The TENORA pendant comes with a 1.5 m connection lead and is ready for direct connection to 230V mains supply.
