Light distribution type 3	Axis-symmetric

The TERANG 2 XL SENSOR is a reinterpretation of the classic construction lamp, designed for wall and ceiling installation and outfitted with a powerful LED module. Available with housings in white, silver-grey, anthracite, and rust, the TERANG has a satin finished round cover that guarantees even light distribution. The luminaire was specifically designed with IP44 class protection type for outdoor use. Thanks to a built-in LED driver, the TERANG comes ready for direct connection to 230V electrical mains.
