The BENA LED 120 wall and ceiling light is a professional luminaire for surface mounting. There is a 28 Watt LED within the white frame which provides the necessary illumination strength. The luminaire is ideal for modern furnishings due to its functional light, and is optionally available in cold and warm white. Thanks to the built-in LED driver, the BENA LED 120 wall and ceiling light is ready for direct connection to the 230V mains power supply.
